HOLLY SPECIALS

from the
FAMOUS HOLLY COLLECTION

of

The WILMAT HOLLY CO.

This year all prices include insurance and delivery charges. Normally orders will be shipped parcel post special handling. While this costs more, it seems necessary because of the rough treatment given ordinary parcel post.

We are prepared to ship gift packages if detailed instructions are furnished together with the card or message you wish enclosed. Though the package will not be delivered until December if you so wish, your order should be in early. Stock is limited. Orders received after November 15 may not be filled.
